2. Dividend

In View of losses no dividend is recommended by the Board.

3. Director

Mr. Ramakrishnan Venkateswaran has resigned from the Board of the Company with effect from 3rd September, 2011. The board has accepted the resignation and places on record the appreciation of his contribution to the company

4. Deposits

The Company has not accepted any deposits from the Public.

5. Insurance

The Company has adequately insured the Company's Properties.

6. Directors' responsibility statements

Pursuant to section 217(2AA) of the Companies Act, 1956 the Directors confirm that:

- (i) in the preparation of Annual Accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures.
- (ii) appropriate accounting policies have been selected and applied consistently, and have made judgments and estimates that are reasonable and prudent so as

to give a true and fair view of the state of affairs of the company for the said period.

- (iii) proper and sufficient care has been taken for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the company and for preventing and detecting frauds and other irregularities.
- (iv) the annual accounts have been prepared on a going concern basis.

7. Conservation of energy

Your Company, being not a manufacturing company has not consumed energy of any significant level and accordingly no measures were required to take or taken for energy conservation and no additional investment was required to be made or made for reduction of energy consumption.

8. Technology absorption

The technology support is the key to success of any retail business and Micro finance is not different. A tried and tested technology, robust in application and controls is the need for the MFI in order to have better operational efficiency. Your Company has tied up with Paripoorna Software Solutions Private Limited, Chennai based software service Company for technology support. The software vendor is a group Company of a large MFI based in Tamil Nadu. The Beacon software, which is working on the Microsoft Dot Net operating system, has been servicing more than 8 lac members efficiently. This software has an integrated accounting solution, thereby making it easier for the operations staff to account data efficiently. Your Company has also put in place a HR system to enables seamless management of the staff and their aspirations. The Payroll, incentive structure, and performance management can be done from the system. This HR software is also integrated to the LOS to help processing of incentives in line with performance through the system.

9. Foreign exchange

The Company has not earned any foreign exchange and not incurred any expenditure in foreign currency during the year under review.

10. Personnel

The Company has no employees covered under Section 217 (2AA) of the Companies Act, 1956 read with the Companies (Particulars of

11. Auditors

The retiring Auditors of the Company, M/s. Ramanujam and Bhoovarahan Chartered Accountants, have signified their willingness to be reappointed as Auditors of the Company. Their reappointment is recommended to the members of the Company.

12. Bankers to the Company

Your Company is banking with HDFC Bank Ltd., Kotak Mahindra Bank Ltd and Bank of Baroda.

13. Management Discussion and Analysis

The company had applied for a NBFC application with RBI and the same was granted by RBI in April 2010. Subsequent to the Permission by RBI the company commenced Micro finance business in the state of Gujarat as planned by the Management. Your Company now has 10 branches in the state of Gujarat catering to the Microfinance business. Based on the strategy to cover both Urban and rural markets the branch distribution is done equally between Urban and Rural. The company has been able to source a customer base of 5400 beneficiaries belonging to the below poverty line segment. The Performance of the company during the year under review was impacted by the industry wide crisis which affected the industry from October 2010. The impasse created by the crisis affected the entire industry. Your company could not raise adequate capital and debt so as to achieve the targeted business plans owing to the crisis.

However with the recommendations of Malegam Committee report by RBI and subsequent Policy circulars announced by RBI, it is envisaged that credit flow in to the MFI industry is likely to flow in slowly thereby bringing some relief to the players in the industry. The Management team strongly believes that once the Credit flow to the industry resumes the capital flows in to the MFI industry would as well begin. This would slowly improve the overall tight liquidity position the company as well as the industry is facing with.

14. Staffing and human resource challenges

Attracting quality manpower is very crucial to financial intermediation business and for Micro Finance intermediation it is all the more crucial owing to the transaction and business model which this industry follows. Given the above challenge the company had recruited a senior HR manager from the industry. This to a large extent helped the company in identifying and recruiting quality manpower required for the branches and Head office. Your company has also taken the initiative of setting up of a Training infrastructure in Baroda for the Centre and Branch managers who join the company. This has adequately ensured that the staff are well trained in Process and polices of the company and facilitates quality business sourcing and management.

15. Competition and market opportunity

While the state of Gujarat does not have a home grown MFI, all major pan India MFIS, are present. This gives an indication about immense potential of Gujarat as micro finance market. As per recent report of Planning commission, the Gujarat State has a BPL population estimated 30.00% which is more or less equal to that of high MFI served states like Andhra Pradesh, Tamil Nadu and Karnataka. Therefore the market opportunity which may unfold in the State of Gujarat is considered to be very high. The Management team has the adequate experience of having worked in Gujarat for various financial service products and this experience would hold the company in good stead. Further given the excellent Credit culture of Gujarat, the quality and safety of the loan portfolio is of competitive advantage to the company.

16. Business strategy:

The Company would follow the pure Grameen model of Micro finance lending with JLG (Joint Liability Group) agreements from the members. The outreach presence so planned would be a mix of both Urban and rural in equal measure. The Company has launched three products catering to both the urban and Rural households. Taking cue from initial experience your Company would be pre – dominantly focused in the western India belt, while continuing to evaluate opportunities to diversify to other states at an appropriate time. This would help to reduce the concentration risk as well as en cash on new opportunities.

The Company has also tied up with Kotak Mahindra Old Mutual Life Insurance Company LTD, for credit Life insurance for all the members as well as their spouses or guarantors. This facilitates risk cover to the customer at the time of eventualities. Further, the Company plans to tie up for health and accident Insurance for its members as a cross sell product.

During the year under review the Management team did consider diversifying in to business of lending to Small and Micro business enterprises. However with the RBI policy Direction having been announced in May 2011 where in on lending to NBFCs were curtailed especially the PSL business, your company felt that it would be inappropriate to enter the SME segment at this time. Hence the Management team decided to continue with the MFI business operations.

Given the sense of easing of liquidity conditions in MFI segment, your company would quickly raise to the occasion and improve its capital and debt position so as to position the company in to a strong regional MFI player.

Your Company is currently in discussions with some of the Private equity Investors and the Management team is confident of attracting equity investments which would give the much needed push to business volumes.

17. Process support

Efficient and flexible processes are the need of the hour for any financial services Company to succeed. Your Company has identified "Intellecash", a long standing consultancy firm engaged in process support for startup MFIs. This has helped the Company to quickly place the processes and kick start business in an efficient manner.

18. Statutory compliances and risk management

Your Company is in Compliance of all statues, laws and rules wherever applicable. Initiatives in this area needs to be a continuous process and your Company has identified transparency and quality as important deliverables for all the stake holders. Your Company has taken initiatives to create a robust risk management environment and as an initial pilot, we have undertaken the SMS alert project for control on collection mechanism. This allows the management to be abreast of collection of weekly installments from groups on real time basis in the form of SMS alerts. This also allows the back office to reconcile bank accounts on a day to day basis thereby exercising efficient controls.

Your Company has also implemented Cash Transit Insurance as well as Fidelity Insurance to cover various risks in cash handling which is very high in Microfinance business.

Your Company has also formulated Internal Audit parameters which are stringent in nature to augment controls at each point of delivery. Your Company has also adopted the Fair Practices Code, in the line with the RBI Guidelines to impart transparent and exemplary customer service.

AUDITORS REPORT TO THE SHAREHOLDERS

We have audited the Balance Sheet of **M/s. M Power Micro Finance Private Limited** as at 31 March 2011 and the Profit and Loss Account of the said company for the period from 13th April 2010 to 31st March 2011, both annexed hereto. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by the management as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The Companies (Audit Report) Order, 2003 issued by the Central Government of India in terms of subsection (4A) of section 227 of the Companies Act, 1956 is not applicable to this company.

We report that:

- a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by the Companies Act, 1956 have been kept by the Company so far, as appears from our examination of such books.
- c) The Balance Sheet and Profit and Loss Account referred to in this report are in agreement with the books of account.
- d) In our opinion, the Balance Sheet and Profit and Loss Account dealt with by this report comply with the Accounting Standards referred to in Sub-section (3c) of Section 211 of the Companies Act, 1956.
- e) On the basis of written representations received from the directors, as on 31 March 2011 and taken on record by the Board of Directors, we report that none of the directors is disqualified as on 31 March 2011 from being appointed as a Director in terms of clause (g) of sub section (1) of Section 274 of the Companies Act 1956.
- f) In our opinion and to the best of our knowledge and according to the explanations given to us, the said Balance Sheet and Profit and Loss Account together with the Accounting policies and the Notes forming part of the Accounts, give the information required by the Companies Act, 1956 in the manner so required and give a true and fair view:

and Br

Annexure to the Auditors' Report

[Referred to in paragraph 3 of the Auditors' Report of even date to the members of M Power Micro Private Limited on the financial statements for the year ended March 31, 2011]

(i) (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

(b) The Company has a programme of physical verification of fixed assets. In our opinion, the frequency of verification is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) In our opinion, there were no fixed assets disposed off during the year . Therefore, the provisions of clause 4(i)(c) of the Order are not applicable to the Company.

(ii) (a) The inventories have been physically verified during the year by the management. In our opinion, the frequency of verification is reasonable.

(b) The procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.

(c) In our opinion and according to the information and explanations given to us, the Company is maintaining proper records of inventory. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been properly dealt with in the books of account.

(iii) (a) As informed, the Company has not granted any loans, secured or unsecured to Companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly, sub-clause (b), (c) and (d) of clause 4(iii) of the Order are not applicable.

(b) According to the information and explanations given to us, the Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under Section 301 of the Companies Act, 1956. Accordingly, sub-clause (f) and (g) of clause 4(iii) of the Order are not applicable.

(iv) In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Company and the nature of its business with regard to purchases of inventory and fixed assets and with regard to the sale of goods and services. Further, the basis of our examination and according to the information and explanations given to us, we have neither come across nor have we been informed of any instance of major weaknesses in the aforesaid internal control systems.

(v) (a) In our opinion and according to the information and explanations given to us, the particulars of contracts or arrangements referred to in Section 301 of the Companies Act, 1956 have been entered in the register required to be maintained under that Section.

(b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of such contracts and arrangements entered in the register maintained under Section 301 of the Companies Act, 1956 have been made at the prices which are reasonable having regard to the prevailing market prices at the relevant time except in case of some transactions where alternate source of supply did not exist and therefore, no comparison of prices was possible.

(vi) In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public and hence the provisions of Sections 58A, 58AA or any other relevant provisions of the Companies Act, 1956 and the Companies (Acceptance of Deposits) Rules, 1975 do not apply to the company.

(vii) In our opinion, the Company has an internal audit system commensurate with the size of the Company and nature of its business.

(viii) Rules made by the Central Government for the maintenance of cost records under Section 209(1)(d) of the Companies Act, 1956 do not apply to the company.

(ix) (a) According to the records of the Company, Provident Fund, Income-tax, Sales-tax and other material statutory dues applicable to it have been generally regularly deposited during the year with the appropriate authorities. However the accompany has applied for ESI registration which is still under process with the department and the amounts deducted from the employees and the company's contribution is shown as a liability in the accounts. According to the information and explanations given to us, no undisputed amounts payable in respect of above were in arrears, as at March 31, 2011 for a (b) There are no disputed statutory payments to be made by the amount by the same payable except as stated above.

(b There are no disputed statutory payments to be made by the company on account of Income-tax and (x) The Company by the company on account of dispute.

(x) The Company has an accumulated loss at the end of the financial year and has incurred cash (x) In our opinion and accumulated by our audit.

(xi) In our opinion and according to the company has not defaulted in repayment of details of financial institution, banks or debenture holders.

Schedules Forming Part of the Accounts for the Period from 1st April 2010 to 31 March 2011

Schedule 14- Significant Accounting Policies

1. Basis of Preparation of Financial Statements

The financial statements are prepared under the historical cost convention in accordance with the generally accepted accounting principles in India, Accounting Standards notified by the Government of India / issued by the Institute of Chartered Accountants of India (ICAI), as applicable and relevant provisions of the Companies Act, 1956.

The Company is Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies (Accounting Standards) Rules, 2006. Accordingly, the Company has complied with the Accounting Standards as applicable to a Small and Medium Sized Company.

2. Use of Estimates

The preparation of the financial statements requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period like provisioning for debtors, useful lives of fixed assets, Etc. Management believes that the estimates used in the preparation of the financial Statements are prudent and reasonable. Future results may vary from these estimates.

3. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Revenue from Micro finance operations are recognized on accrual basis from the time the loans are given for the financial year on the terms and conditions provided in the loan documentation. In case of a delinquency arising out of the death of a member the company has taken insurance policies on all members and the recovery is made from the claim amount. However the interest from the time of the death of the member till the recovery of the claim amount is waived off.
- ii. Interest income on deposits is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.
- iii. All other income is recognized on an accrual basis, when there is no uncertainty in the ultimate realization / collection.

4. Inventories:

Not Applicable

Schedules Forming Part of the Accounts for the Period from 1st April 2010 to 31 March 2011

Schedule 14 - Significant Accounting Policies (Contd)

5. Fixed Assets and Depreciation

Fixed assets are stated at cost less accumulated depreciation. Cost includes taxes, duties, freight and incidental expenses related to the acquisition and installation of the asset.

Depreciation on fixed assets is provided pro-rata on the basis of the written down value method, over the period of use of these assets, at the annual depreciation rates and in the manner stipulated in Schedule XIV to the Companies Act , 1956 or based on the depreciation rates. As per the estimated useful lives of the assets determined by the management, whichever is higher

Fixed Assets	Percent
Motor Cycles and car	25.89
Office Equipments	13.91
Computers	40.00
Furniture and Fittings	18.10

Improvements to leasehold premises are depreciated over the primary lease period or 3 years, whichever is lower.

6. Impairment

The carrying amounts of assets are reviewed at each balance sheet dates if there is any indication of impairment based on internal / external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation (where applicable) is provided on the revised carrying amount of the asset over its remaining useful life.

7. Finance Expenses.

Expenditure incurred for raising borrowed funds including ancillary costs incurred in connection with the arrangement of borrowings, which is not eligible for capitalization, is fully charged to the profit and loss account on incurrence.

Schedules Forming Part of the Accounts for the period from 1st April 2010 to 31 March 2011

Schedule 14-Significant Accounting Policies (Contd.)

- 8 Foreign Currency Transactions
- Transactions in foreign currency are accounted at the exchange rate prevailing on the date of the transaction.
- ii. Foreign currency monetary items as at the balance sheet date are restated at the closing Exchange rates. Exchange rate differences arising on actual payments/ realizations and Period-end restatements are recognized as income or expense in the profit and loss account.

9. Retirement and Other Employee Benefits

Provident Fund; Contributions to the employees provident fund scheme maintained by the Central Government are accounted for on an accrual basis.

Also Refer Note 16 of Schedule 15.

ii) Defined Benefit Plan.

Gratuity; The Company estimates its liability towards employees gratuity based on an Actuarial valuation done by an independent actuary using the projected unit. Credit Method done at the end of each accounting period. Actuarial gains / losses are immediately recognized in the profit and loss account in the period in which they occur. Obligation under the defined benefit plans in measured at the present value of estimated future cash flows using a discounted rate that is determined by reference to the prevailing market yields at the balance sheet date on Indian Government bonds where the currency and term of the Indian Government bonds are consistent with the Currency and estimated term of the defined benefit obligation.

iii) Compensated Absences

The liability for long term compensated absences carried forward on the balance sheet date is provided for based on an Actuarial valuation done by an independent actuary using the projected unit credit method done at the end of each accounting period. Short term compensated absences is recognized based on the eligible leave at credit on the balance sheet date and the estimated cost is based on the terms of the employment contract.

10. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term are classified as operating leases. Operating lease payments are recognized as an expense in the profit and loss account on a straight-line basis over the lease term.

Schedules Forming Part of the Accounts for the period from 1st April 2010 to 31 March 2011

Schedule 14-Significant Accounting Policies (Contd.)

11. Income Taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax in recognized, on timing differences, being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets in respect of unabsorbed depreciation and carry forward losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realize such assets. Other deferred tax assets are recognized if there reasonable certainly that there will be sufficient future taxable Income available to realize such assets.

12. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when the Company has present or legal obligations, as a result of past events for which it is probable that an outflow of economic benefit will be required to settle the transactions and when a reliable estimate of the amount of obligation can be made contingent liability is disclosed for (i) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made. Contingent assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

13. Preliminary Expenses.

Preliminary expenses are written off over a period of five years from the commencement of business.

Schedules Forming Part of the Accounts for the Period from 1st April 2010 to 31 March 2011
